

2024 PRICING GUIDE

These prices reflect generally what most couples spend on our designs, but pricing can vary and this is not a full list of our offerings.

Full-service weddings, which include delivery and setup, begin at \$3,500.

All design materials, vessels, candles, arbor framework, etc. belongs to the farm. We can collect all of these items from the venue if you'd like, or they can be returned to the farm within 3 days of the event to avoid breakdown charges.

If flowers are delivered to locations in Maine or Massachusetts, the total will include 5.5% Maine sales tax or 6.25% Massachusetts sales tax. If flowers are picked up from the farm or delivered in NH, no sales tax applies.

Pricing can be affected by specific flower requests, designs that require more labor, distance to the venue, and size of the order, among other things. This is meant to be a guide and not an exact price list.
